ABOUT NBS

Driving Progress Together.

A trusted partner for a more connected, intelligent and sustainable future.

Novatta Business Services (NBS) is a Riyadh-based technology and business solutions company, committed to helping organizations across Saudi Arabia and beyond achieve their goals through innovative solutions, trusted partnerships and exceptional service delivery.

We combine deep industry expertise, global technology partnerships and a customer-first approach to design, deliver and manage solutions that create real, lasting value.

Innovative
Solutions.
Trusted
Partnerships.
A Brighter
Tomorrow.

**Saudi-Rooted**

Built in Riyadh to serve the Kingdom and the region.

**Globally Capable**

Partnering with world-leading technology brands.

**Customer-Focused**

Solutions designed around your goals.

**Future-Ready**

Creating sustainable value through innovation.

WHO WE ARE

NBS is a leading provider of integrated technology solutions and professional services, enabling organizations to modernize, transform and grow with confidence.

We work closely with our clients across government, enterprise and private sectors to solve complex challenges, improve operational efficiency and unlock new opportunities in the digital era.

OUR PURPOSE

To empower organizations with innovative solutions that connect people, technology and opportunities for a brighter tomorrow.

OUR VISION

To be the most trusted and preferred technology and business solutions partner in Saudi Arabia and the region.

OUR VALUES

**Trust**

We build lasting relationships.

**Customer Success**

Your goals are our priority.

**Innovation**

We embrace new possibilities.

**Excellence**

We deliver quality in everything we do.

**Sustainability**

We create value for a better tomorrow.

OUR STORY

A journey of progress.

Our story is built on a clear purpose – to connect business and technology to create real value for government organizations, large enterprises and growing businesses across Saudi Arabia and beyond.

2010		Our Beginning NBS was established in Riyadh with a passion for technology and a commitment to our clients.
2013		Building Capabilities Expanded our solutions and services to support a wider range of industries.
2016		Growing Partnerships Strengthened relationships with leading global technology partners to deliver greater value.
2019		Expanding Impact Supported more government organizations, large enterprises and multi-site businesses across the Kingdom.
2022		Accelerating Innovation Expanded into cloud, data, cybersecurity and AI-enabled solutions to meet evolving business needs.
2024		A Broader Horizon Enhanced our end-to-end capabilities across strategy, platforms, integration and managed services.
Today		Continuing the Journey Focused on delivering intelligent, secure and scalable solutions that help our clients achieve a smarter, more sustainable future.

SAUDI-ROOTED.
GLOBALLY CAPABLE.

PEOPLE.
PLATFORMS.
POSSIBILITIES.

A stronger
Saudi Arabia
together.

OUR ROOTS

Riyadh, Saudi Arabia.
Built on trust and long-term relationships.

OUR PEOPLE

A team of professionals committed to client success and continuous growth.

OUR FUTURE

Continuing to innovate and create more possibilities for our clients and communities.

SAUDI-ROOTED.
GLOBALLY CAPABLE.

VISION, MISSION & VALUES

Our direction. A higher tomorrow.

Our vision, mission and values define who we are, guide what we do and inspire how we create lasting value for our clients, our people and the communities we serve.

Our Vision

To be the most trusted and innovative technology partner in Saudi Arabia and the region, enabling a smarter, more secure and sustainable future.

Our Mission

To design, build and operate intelligent, secure and scalable technology environments that empower organizations to achieve their goals and create lasting value for society.

Our Values

Our values are the foundation of our culture. They shape our decisions, guide our actions and define the way we work with our clients, partners and communities.

PEOPLE.
TECHNOLOGY.
PROGRESS.

Guided by purpose.
Driven by values.

OUR CORE VALUES

INTEGRITY

We do what is right, always, and build trust through transparency and accountability.

PEOPLE

Our people are our greatest strength. We empower, respect and grow together.

INNOVATION

We embrace new ideas and advanced technologies to solve real business challenges.

EXCELLENCE

We are committed to delivering high-quality solutions and exceptional service.

SUSTAINABILITY

We create long-term value for our clients, communities and the environment.

SAUDI-ROOTED.
GLOBALLY CAPABLE.

WHY NBS?

More than a technology partner.

Organizations choose NBS because we combine deep technical expertise, industry understanding and a people-centric approach to deliver real, measurable outcomes.

Deep Technical Expertise

Certified professionals with proven experience across leading technologies and complex environments.

Industry Understanding

We understand the unique needs of government, large enterprises and growing businesses in Saudi Arabia and the region.

Trusted Partnerships

Long-term relationships with global technology leaders, enabling access to best-in-class solutions and support.

End-to-End Capabilities

From advisory and design to platforms, deployment and managed services – we cover the full technology lifecycle.

Security & Compliance Focus

We design solutions that align with industry standards and regulatory requirements, ensuring resilient and secure operations.

People-Centric Approach

We work as an extension of your team, with a commitment to your long-term success.

Implement with best practices and governance.

OPERATE

Ensure performance, security and continuous support.

EVOLVE

Innovate and scale for future growth.

SAUDI-ROOTED.
GLOBALLY CAPABLE.

SOLUTIONS PORTFOLIO

Transforming possibilities into outcomes.

Our solutions portfolio brings together leading technologies, deep expertise and industry best practices to design, build and deploy intelligent, secure and scalable environments for government organizations, large enterprises and growing businesses.

OUR SOLUTION AREAS

Data Center Solutions

Modern, efficient and resilient data center environments from design to deployment.

Cloud & Infrastructure Solutions

Secure, scalable and flexible cloud platforms for digital growth.

Cybersecurity Solutions

Comprehensive security solutions to protect what matters most.

Network & Connectivity Solutions

High-performance, secure and intelligent network infrastructure.

Modern Workplace Solutions

Enable productive, secure and connected teams anywhere.

AI & Data Solutions

Turn data into intelligence with advanced analytics and AI-driven solutions.

IT Management Solutions

Integrated platforms for monitoring, automation and efficient operations.

Smart Solutions (Industry & Government)

Technology solutions for smarter, safer and more sustainable communities.

Sustainability Solutions

Energy-efficient and future-ready solutions for a greener tomorrow.

KEY OUTCOMES

SECURE

Build resilient and compliant environments.

SCALABLE

Ready for today and tomorrow.

INTELLIGENT

Leverage data and AI for better decisions.

SUSTAINABLE

Create long-term value for your business and the environment.

DATA CENTER SOLUTIONS

Resilient infrastructure for what's next.

Our Data Center Solutions combine design expertise, best-in-class technologies and proven methodologies to deliver secure, efficient and scalable environments that support today's demands and tomorrow's opportunities.

OUR SOLUTIONS

Data Center Design & Consultancy

End-to-end planning, design and advisory services for scalable, efficient and future-ready data centers.

Power & Cooling Solutions

Reliable and energy-efficient power and cooling infrastructure for maximum uptime and performance.

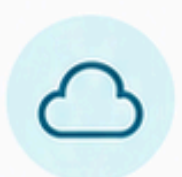

Data Center Monitoring & DCIM

Integrated monitoring and DCIM solutions for real-time visibility, asset management and operational efficiency.

Hyperconverged Infrastructure (HCI)

Simplified, scalable and high-performance infrastructure to modernize IT environments.

Software Defined Data Center (SDDC)

Flexible, automated and software-driven infrastructure for greater agility and control.

Modular & Edge Data Centers

Rapidly deployable, scalable data center solutions for core, edge and remote locations.

Raised Flooring & Access Control

Physical infrastructure and security solutions to ensure safety, airflow efficiency and controlled access.

DESIGN.
INTEGRATE.
OPTIMIZE.

Data center
solutions built
for performance,
resilience and
growth.

KEY BENEFITS

HIGH AVAILABILITY
Maximize uptime
and business continuity.

OPERATIONAL EFFICIENCY
Optimize performance
and reduce TCO.

SCALABILITY
Adapt to growing
business needs.

SUSTAINABILITY
Energy-efficient
and environmentally
responsible solutions.

SAUDI-ROOTED.
GLOBALLY CAPABLE.

CLOUD & HYBRID SOLUTIONS

Flexible cloud solutions for a limitless tomorrow.

Our Cloud & Hybrid Solutions help organizations modernize, scale and innovate with secure, flexible and high-performance cloud environments — tailored to their business needs and regulatory requirements.

OUR SOLUTIONS

- 

Cloud Strategy & Advisory
Assessment, strategy and roadmap development for cloud adoption and modernization.
- 

Public Cloud Solutions
Design, deploy and manage solutions on leading cloud platforms (AWS, Microsoft Azure, Google Cloud).
- 

Private Cloud Solutions
Secure, high-performance private cloud environments for greater control and compliance.
- 

Hybrid Cloud Integration
Seamless integration of on-premises, private and public cloud environments for optimal flexibility.
- 

Cloud Migration Services
End-to-end migration with minimal disruption, ensuring business continuity and data integrity.
- 

Multi-Cloud Management
Unified management, monitoring and cost optimization across multiple cloud platforms.
- 

Cloud Security & Compliance
Built-in security, governance and compliance to protect your data and workloads.

MODERNIZE.
SCALE.
INNOVATE.

Cloud solutions
designed to keep
your business
agile, secure
and future-ready.

KEY BENEFITS

- 

AGILITY
Scale resources on demand to meet changing needs.
- 

COST OPTIMIZATION
Improve efficiency and reduce total cost of ownership.
- 

ENHANCED SECURITY
Protect data and ensure compliance across environments.
- 

BUSINESS CONTINUITY
Build resilient infrastructure for uninterrupted operations.

BUSINESS APPLICATIONS

Applications that empower your business.

Our Business Applications solutions enable organizations to streamline operations, enhance productivity and deliver better customer experiences through industry-leading enterprise applications and tailored solutions.

OUR SOLUTIONS

ERP Solutions

Implementation and management of leading ERP platforms (e.g. SAP, Microsoft Dynamics 365, Oracle) to unify and streamline business processes.

CRM Solutions

Customer-centric solutions (e.g. Salesforce, Microsoft Dynamics 365) to enhance customer engagement and drive growth.

Business Intelligence & Analytics

Data-driven insights through modern analytics platforms (e.g. Power BI, Tableau) to enable smarter decision-making.

Human Capital Management (HCM)

Digital HR and workforce solutions to attract, develop and retain talent (e.g. SAP SuccessFactors, Oracle HCM).

Enterprise Productivity & Collaboration

Modern workplace solutions (e.g. Microsoft 365) to improve collaboration, productivity and operational efficiency.

Custom Application Development

Tailored business applications to meet unique organizational requirements and drive innovation.

Application Integration Services

Seamless integration of business applications across systems for unified data, processes and enhanced performance.

INTEGRATE.
AUTOMATE.
GROW.

Business applications built around your people, processes and future goals.

KEY BENEFITS

OPERATIONAL EFFICIENCY

Streamline processes and reduce complexity.

BETTER DECISIONS

Leverage data and real-time insights.

IMPROVED CUSTOMER EXPERIENCE

Deliver personalized and seamless services.

FUTURE-READY BUSINESS

Scalable applications to support growth and innovation.

SAUDI-ROOTED.
GLOBALLY CAPABLE.

AI & INTELLIGENT AUTOMATION

Intelligence that accelerates your tomorrow.

Our AI & Intelligent Automation solutions help organizations unlock the power of data, automate processes and make smarter decisions — driving efficiency, innovation and sustainable growth across the enterprise.

OUR SOLUTIONS

AI Strategy & Advisory

Assessment, use case identification and roadmap development to adopt AI responsibly and effectively.

Intelligent Process Automation (IPA)

Automate business processes with AI, RPA and workflow orchestration to improve efficiency and reduce costs.

Data Analytics & AI Platforms

Modern data platforms, advanced analytics and machine learning solutions to turn data into actionable insights.

Generative AI Solutions

Deploy generative AI for content creation, knowledge management and business productivity.

AI Assistants & Virtual Agents

Intelligent chatbots and virtual assistants to enhance customer and employee experiences.

AI for Industry Solutions

Tailored AI solutions for government, enterprise and industry use cases (e.g. predictive maintenance, smart operations).

AI Governance & Responsible AI

Ensure ethical, secure and compliant AI adoption with governance frameworks and risk management.

PEOPLE.
DATA.
INTELLIGENCE.
REAL IMPACT.

AI and automation
solutions to help
your business
work smarter,
faster and better.

KEY BENEFITS

HIGHER PRODUCTIVITY

Automate repetitive tasks and focus on what matters most.

SMARTER DECISIONS

Leverage AI-driven insights for faster, more accurate decisions.

OPERATIONAL AGILITY

Adapt quickly to changing business needs with intelligent automation.

TRUSTED & RESPONSIBLE AI

Implement AI with security, compliance and ethical practices.

SAUDI-ROOTED.
GLOBALLY CAPABLE.

SERVICE PORTFOLIO

Reliable services for continuous performance.

Our Service Portfolio delivers end-to-end operational and technical services to ensure the performance, availability and security of your IT environments — so you can focus on your core business.

OUR SERVICES

Managed IT Services

Proactive monitoring, management and support for a secure, reliable and efficient IT environment.

Cloud Managed Services

Ongoing administration, monitoring and optimization of public, private and hybrid cloud environments.

Cybersecurity Services

24/7 threat monitoring, incident response, vulnerability management and security operations.

Data Center Operations Services

Remote and on-site operational support, infrastructure monitoring and capacity management.

Network Managed Services

End-to-end network monitoring, performance tuning, configuration management and troubleshooting.

Infrastructure Maintenance & Support

Preventive maintenance, technical support and lifecycle management for IT infrastructure.

Professional & Advisory Services

Expert consulting, assessments and technical advisory to optimize performance and drive continuous improvement.

IT Outsourcing & Staff Augmentation

Access to certified experts and flexible resourcing to meet your business needs.

SUPPORT.
PROTECT.
OPTIMIZE.
EVOLVE.

End-to-end
services to keep
your business
secure, efficient
and always ahead.

KEY BENEFITS

HIGHER UPTIME

Minimize disruptions and ensure business continuity.

LOWER TCO

Optimize operations and reduce costs.

EXPERT SUPPORT

Access certified professionals with deep expertise.

CONTINUOUS IMPROVEMENT

Proactive services that adapt to your evolving business needs.

SAUDI-ROOTED.
GLOBALLY CAPABLE.

INDUSTRIES WE SERVE

Enabling progress across every industry.

We partner with organizations across key industries, delivering tailored solutions and services that address their unique challenges and help them achieve sustainable growth.

OUR INDUSTRIES

Government & Public Sector
Enabling digital transformation and citizen-centric services.

Banking & Financial Services
Building secure, compliant and future-ready financial ecosystems.

Healthcare
Supporting connected, efficient and patient-centric care.

Education
Empowering institutions with technology for better learning outcomes.

Oil & Gas and Energy
Delivering resilient solutions for mission-critical operations.

Manufacturing & Industrial
Driving operational excellence through digitalization and automation.

Retail & Hospitality
Creating exceptional customer experiences with reliable and scalable technology.

Real Estate & Construction
Smart infrastructure for smarter, more connected communities.

Transportation & Logistics
Enabling efficient, secure and connected operations across the supply chain.

Telecommunications
Supporting next-generation connectivity and digital services.

GOVERNMENT & PUBLIC SECTOR

Digital government, smart services and secure infrastructure.

BANKING & FINANCIAL SERVICES

Secure, resilient and innovative solutions for a digital economy.

HEALTHCARE

Reliable, secure and connected healthcare environments.

EDUCATION

Smart campuses and digital learning experiences.

OIL & GAS AND ENERGY

Robust, high-availability solutions for critical operations.

MANUFACTURING & INDUSTRIAL

Connected operations and intelligent automation for higher productivity.

RETAIL & HOSPITALITY

Seamless, secure and engaging digital experiences for customers.

KEY BENEFITS

INDUSTRY EXPERTISE

Deep understanding of industry-specific challenges.

TAILORED SOLUTIONS

Customized strategies to meet unique business needs.

COMPLIANCE READY

Aligned with industry regulations and standards.

LASTING IMPACT

Solutions that drive efficiency, resilience and long-term growth.

SAUDI-ROOTED.
GLOBALLY CAPABLE.

OUR APPROACH

A structured approach for lasting success.

We follow a collaborative, outcome-driven approach to understand your goals, design the right solution, implement it effectively and support you for long-term value and growth.

OUR PROCESS

- 
01 | **Discover & Assess**
We understand your business objectives, challenges and current environment through detailed consultation and assessment.
- 
02 | **Strategize**
We define the right strategy, solution roadmap and architecture tailored to your needs, ensuring measurable outcomes.
- 
03 | **Design**
We create detailed solution designs, platforms and implementation plans aligned with best practices and industry standards.
- 
04 | **Implement**
We deploy and integrate solutions with minimal disruption, ensuring a smooth and efficient transition.
- 
05 | **Optimize**
We monitor, fine-tune and optimize performance to maximize value, efficiency and user adoption.
- 
06 | **Support & Evolve**
We provide ongoing managed services, support and continuous improvement to keep your business ahead.

PLAN.
EXECUTE.
OPTIMIZE.
GROW.

A partnership-led approach to deliver measurable results and long-term value.

KEY BENEFITS

CLEAR DIRECTION
Aligned with your business goals.

REDUCED RISK
Proven methodologies and best practices.

FASTER TIME TO VALUE
Efficient execution and implementation.

CONTINUOUS IMPROVEMENT
Ongoing support and optimization.

SAUDI-ROOTED.
GLOBALLY CAPABLE.
